Joure
on the big roudabout of Joure take the exit 'Joure', then
go on the first small roundabout to the right. At the
end of the road (second small roundabout), take the
right exit. On the following small roundabout you go
to the left. You are now on the industrial area 'De Ekers'

Industrial area 'De Ekers' go right ahead and take the
second exit left ('De Brekken'). Then go to the right.
The office and production location of Snijtech are now
on your lefthand side.
